Dear

Team Ignicion, on behalf of IIM Lucknow, would like to extend its heartiest congratulations to you on getting the coveted WAT/PI call from one of the best B-schools in the country.

With the onset of its 39<sup>th</sup> year, IIM Lucknow stands tall for having produced creative and capable managers year on year, who have repeatedly proven their mettle in organizations of international repute. A temple for grooming the leaders of tomorrow, IIM Lucknow has quenched the intellectual quest of innumerable bright minds of the country, continually inculcating excellence and practical learning. It is now your time to be a part of this esteemed league.

Clearing the first hurdle is a significant achievement in itself, but what lies ahead needs a greater amount of grit, tenacity and persistence. You have cleared the first stage, which was largely a test of your Intelligence Quotient. However, all that differentiates a good manager from others is the Emotional Quotient. The next 2 months will be very gruelling and will be the testing waters for your capabilities, as you fight your way out for a seat in this highly regarded institute. We understand that during the last and most critical rung of your admission process, you may require assistance with your preparation which Team Ignicion is ready to provide.

We invite you to join **Ignicion - IIM Lucknow's Flagship Student Mentorship Program**. We, as students of IIM Lucknow, have already been through this process and would like to offer you key insights from our own experiences, for you to improve your preparation and pass with flying colours.

As the first step, we request you to like our official Facebook page, [Team Ignicion- IIM Lucknow](#) which will act as a platform of contact and will guide you to a proper forum. After registration at the forum, an IIM Lucknow Student Mentor will be allotted to you who will guide you throughout your WAT/PI process. Please fill the form- [Mentee Details](#) which will help us to allocate appropriate mentors to you based on your profile.

The admissions portal contains an interactive platform for you to get in touch with the current IIM Lucknow students and fellow call-getters. Other crucial information, such as important dates and announcements will also be shared on the portal as well as the Facebook page. We also have a presence on other social media channels- Instagram, Twitter, PaGaLGuY and YouTube to help you through the process.

We sincerely hope that you will leverage this program to the fullest and cross the last hurdle of the admission process successfully.

Wishing you all the very best and hoping to see you become a part of **IIM Lucknow Class of 2023!**

Regards,

**Team Ignicion**

---
